S. Carmy YESHIVA COLLEGE CHARACTER AND ETHICS

Spring 2018

20th century ethical theory was dominated by approaches concerned exclusively with duty or with utility. In recent years philosophers have evinced a renewed interest in virtue, i.e. character formation, the good life and the like. This entails greater attentin to the concrete ways that ethical theory expresses the sideral ideas of particular cultures. The cogency and relevance of philosophical argunisementanced by attending carefully to implicit unacknowledged
