Tests: All applicants must take either the SAT I or ACT exam. The results of these tests supplement the high school grades. Most successful applicants have a combined score of at least 1100 in one sitting, on the critical reading and math sections of the SAT I or an equivalent score of 24 on the ACT.

Optionally, applicants may also take subject-matter achievement tests such as those of the SAT II testing program of the College Board.

Applicants should take the SAT I/ACT in the spring of the junior year of high school or fall of the senior year. If these tests are only given on Saturday, Sabbath- observing students may take them on Sunday by special arrangement with the test administrators. Full information is available from the Office of Admissions or college guidance counselor at the student's high school.
